

FOR YOUR BRAND

STORY TELLING

BY CÉLINE M.K PHOTOGRAPHY

YOUR IMAGE IS KEY TO YOUR SUCCESS. LET'S TELL YOUR PROFESSIONAL STORY WITH DETAILED, THOUGHTFUL, AND CREATIVE IMAGES THAT RESONATE WITH YOUR CLIENT BASE.

WHAT IS THIS SERVICE?

A process for developing your professional image. We'll work together to create a visual story that focuses on you and your passions with an emphasis on the process of creation leading up to your production, your final products and/or services you provide.

IS THIS SERVICE FOR YOU?

This service is directed to anyone branding or rebranding, thinking of creating a webpage, relaunching a webpage or setting up any kind of online social media's account, people looking to improve their online image, looking to attract new clients, wanting to look more professional.

This is an opportunity to showcase your work with beautifully curated images that tell your story and the story of your business.

Whether you are starting up your first website or modernizing something tried and true, I deliver professional photographs you can proudly display.

HOW DOES IT WORK?

I come to you. Your studio, your shop, your office, your home, or wherever your passion takes you...I'll be there.

I'm committed to learning about you and your environment so that I can truly capture your work and your professional vision.

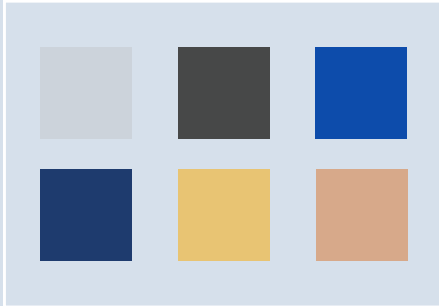

Before your session, we'll meet to discuss your business and form a plan for your photo sessions.

As in any story, the smallest details matter, so in order to expose a full personalized report of your business we will cover questions such as "How do you plan your work?", "where do you get your ideas?", to "What inspires you?".

Finally, you'll receive high-quality images that show the world who you are and what makes your product or services unique.

YOUR IMAGE IS KEY

VISUAL

IDENTITY

MESSAGE

IDEAL CLIENT

DESIGN GOAL

Is the overall objective that drives the creation of a product or service. It outlines the specific requirements that the design needs to meet in order to function effectively.

VISUAL IDEA

Whether it's a sketch, a painting, a photograph, or a video, a visual idea has the ability to capture the attention of its audience and leave a lasting impression.

CONCEPT

The term refers to an abstract idea or general notion that represents something in the mind. Concepts are used to categorize and organize information, allowing us to understand and communicate complex ideas.

ADDITIONAL INFORMATION

CONDITION:

CélineMK Photography is an online company, who uses social medias and internet platforms to advertise. When hiring CélineMK Photography be aware that the photos will be used online for marketing purposes. The type of photos and time before which they could be used will be discussed beforehand.

EXTRAS:

- Extra time will be charged at 260€ per extra hour, 130€ per extra 30mn.
- Travel costs is not included and will be charged on the last invoice for any location outside of the Leiden area.

DEPOSIT

A non-refundable deposit of 50% of the total package amount is required to fully secure your photo session(s), which will occur as soon as the deposit is received and confirmed. This can be adjusted per client depending on some criteria.

The remainders such as: travel costs (if any), extra time, extra images, ... will be added on your final invoice which will be due Net 7 days after receipt of this previous, which will be sent the day of or following your session.

The photos will be sent after and only after receipt of all payments.

If the weather is not suitable for the shoot, or in the event of illness... your deposit may be applied toward a re-schedule. However if you must cancel or do not show up to the session, the deposit will not be refunded. The purpose of the deposit is to confirm your date and time, along with blocking the time in my agenda and all the preparation work that goes with it..

ALL EXTRA TARRIFS ARE EXCLUDING BTW

Your investment transfer is to be sent to:
